

65" HIGHBRIGHT SMART SERIES

Optimised for semi-shaded outdoor spaces, with smart features and brilliant brightness — the perfect weatherproof TV for hospitality venues.

Introducing the HighBright Smart Series - a game-changer in outdoor entertainment. This outdoor Semi-Shade Smart TV has an IP55 rating, making it resistant to weather and perfect for any outdoor environment. With its 4K UHD resolution, high brightness for outdoor visibility, and smart features powered by webOS, this TV offers a premium and versatile solution for all your entertainment needs. The HighBright Smart Series is a perfect blend of technology and durability, designed to elevate your outdoor living experience.

Whether you're a homeowner looking to enhance your patio or pool area or a business in the hospitality sector seeking to upgrade your outdoor seating areas, the Lifestyle Plus MX is the ideal choice.

Experience breathtaking clarity, vivid colours, and dynamic viewing in various outdoor settings, and enjoy the convenience of smart features in a robust outdoor design. Elevate your outdoor entertainment with the Lifestyle Plus MX.

4K UHD Resolution: Provides four times the resolution of standard Full HD, offering sharper and more detailed images for an immersive viewing experience.

Screen Brightness: A high brightness level of 1000 nits ensures the TV screen remains clear and visible even in outdoor daylight.

HDR Support: High Dynamic Range (HDR) enhances picture quality with vivid colours and improved contrast for a more realistic and dynamic viewing experience.

Weather Resistance: The IP55 rating certifies that the TV is protected against dust ingress and low-pressure water jets from any direction, making it ideal for withstanding outdoor elements.

Smart TV Functionality: Powered by webOS, this smart TV allows access to a world of entertainment, including streaming services, apps, and user-friendly smart features.

Smarter control: Integrating this webOS TV with home automation systems is simple via IP control protocols and readily available drivers.

Built-in Speakers: Integrated high-quality speakers provide clear and powerful sound, eliminating the need for external audio systems and simplifying the outdoor setup.

These features make this Outdoor IP55-Rated Semi-Shade Smart TV a durable, reliable, and versatile entertainment solution for various outdoor settings such as patios, outdoor kitchens, poolside areas, and commercial spaces.
